

Missouri Hospice & Palliative Care Association Heart of Hospice – Lifetime Achievement Award

What is the Award? The MHPCA Heart of Hospice Lifetime Achievement Award is designed to honor a person affiliated with MHPCA Member Hospice who over the course of *many* years has given above and beyond the call of duty, giving of him/herself; thus, enhancing the quality of life for Hospice patients.

Who qualifies for this award? The awards may be presented to a Hospice employee and/or Hospice volunteer. MHPCA members may nominate only one person in each of the two categories.

Application process: Nominations may be submitted by anyone wishing to offer a candidate for consideration.

The application form on reverse side must be completed and enclosed.

- Biographical narrative: Please describe the nominee's activities that make him/her eligible for this award in the space provided.
- Letters of Support: Please provide at least one letter from a Hospice Team Member (other than person making the nomination) supporting the nomination or your application will not be considered. No more than three letters of support.

Mail completed application and materials to:
